Important Notice Yard Waste/Forest Waste

The Alto Lakes Water and Sanitation District's green(yard) waste disposal area will be closed for approximately 30 days beginning on **July 20th**, 2020, to allow contractors to renovate and hard surface the disposal area. The house-hold trash portion of the convenience center will remain open for daily use.

The District will not be accepting green waste, scrap metal, bulk items, or construction debris at the convenience center during this time. Customers can dispose of green waste and scrap metal free of charge at the Sierra Contracting yard; Monday to Friday from 8:00 AM to 4:00 PM, located at 26440 U.S. Hwy 70 Ruidoso Downs, by showing an Alto Lakes Water and Sanitation District water bill. Bulk items and construction debris are pay as you throw, same as at convenience center.

House-hold trash portion of the convenience center will

Remain open for daily use.

The District appreciates your patience and understanding while these much-needed upgrades are made. District will make every effort to complete upgrades as fast as possible. Again, we thank you for your patience.

Sincerely,

Daniel B. Knorr, President
